### Celebrate with us

**November 1:** Happy Anniversary to Lisa B. who designs at our Prentice location. Lisa has been creating spectacular arrangements since she was a wee lassie of about 19 years.

**November 10:** Happy Birthday to Maria who knows what you could do to keep your flowers fresher for longer. Maria handles our flower processing—bringing in fresh boxes from all around the world, processing them and preparing them for the designers.

**November 13:** Happy Birthday to Lamija's, queen of all fruit and gourmet baskets (and gorgeous design, too!). You'll find Lamija perfectly stacking cheese, crackers and yummys into baskets topped with a perfect bow!

**November 13:** Happy Birthday to Luis—whose mohawk keeps his hair out of his face so he can see the beautiful blooms in flower processing.

**November 30:** If you've ever received one of Birthday girl Wioletta's designs you've been blessed with the creativity of the self-proclaimed "Master!"
