The flower of friendship!

What's in Season

This month's Ashland Addison Special is a gorgeous long-lasting Alstroemeria bouquet perfect for gift giving in October. A jewel-toned Fall mix of colors, alstroemeria will add warmth to someone special this month. The professionally arranged bouquet will come in a vase with approximately 20 stems of the bloom. Code OCT1 only \$34.95 Available for local Chicago and suburban delivery only.

Fun: Alstroemeria means devotion and friendship. It's commonly called the Peruvian Lily or Lily of the Incas. The flower has no smell but is long-lasting with fresh water every other day and a nice cool location.

Who We're Celebrating This Month!

Share a birthday or anniversary sentiment to any of our staff on our Facebook page and we'll send you a cool coupon!

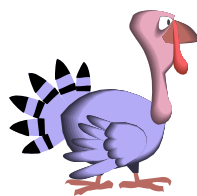

10/13: Dolores' anniversary You can hear Dolores' sweet voice on the phone in the mornings and early afternoons. She has been providing our customers with the service they deserve since 1997.

10/15: Martha's Birthday Planning an event or wedding? You shouldn't until you consult Martha—she'll take your vision and turn it into a floral reality. When she isn't planning design masterpieces for one of our customers, she's cuddling with her pup Winston and thinking about flowers. Happy Birthday to Martha!

10/16: Bill's Birthday You know how we say we're a fourth-generation family owned florist? Bill is 3rd generation. He orders the flowers, runs the show and enjoys fine wines. HBD, WGS!

10/24: Jeff's anniversary How many drivers going to how many different locations, with how many arrangements, how many times a day? Jeff will tell you. He's been rocking the delivery gig since before he could grow that wicked facial hair.

10/27 Becca's Birthday Sugary sweet customer service comes from Becca—even when she's not baking a delish treat for the staff. Becca's birthday shall be celebrated with her knowledge of flowers, daily local bizarre news updates and da' Bears.
